# Christian Artists Seminar Theme 2018: Social Dialogue about the 4.0 work opportunities in the cultural/ artssector as a result of a changing and innovating Europe.

**Be ready** to open your mind and be inspired. **Be ready** to improve technically. **Be ready** to grow spiritually. **Be ready** to develop your vision for life as an artists.

The bonus is that you get plenty of opportunities to get to know each other, and to ask questions of anybody. As so many participants have said after their first week: ***"it feels like finally coming home!"***.

**You can follow workshops in:**

- Music - Instruments & Vocals
- Multi Media Arts
- Performing Arts
- Communication Arts
- Visual Artis
- Collaboration

Are you creative? Are you interested in Music, Visual Arts, Dance, Theatre or any other form of art? Are you desire to learn? Are you keen on meeting other people with the same vision? Are you open and willing to share? Above all, are you looking for inspiration and renewal?

If so, then the annual Christian Artists Seminar is the place to be. You are warmly invited to join us from July 29 - August 2 - 2018, at the Seminar. Art lovers, artists, teachers and speakers gather from all over Europe for a very inspiring week in beautiful surroundings.

At the beginning of the program are stimulating and engaging plenary meetings in which speakers share about the latest developments where art meets faith with an emphasis on real artists making a living doing real work in the real world. Plenum days for these are followed by workshops with talented professionals. In the evening you will attend 4 concert/performances, watching and listening to more than 50 artists.

On the site you can find line up, workshop details, lectures and program. The seminar language is English, all plenums will be translated into French and German.
