Airport Frankfurt, take ICE to Köln/Cologne and get off the train at Siegburg

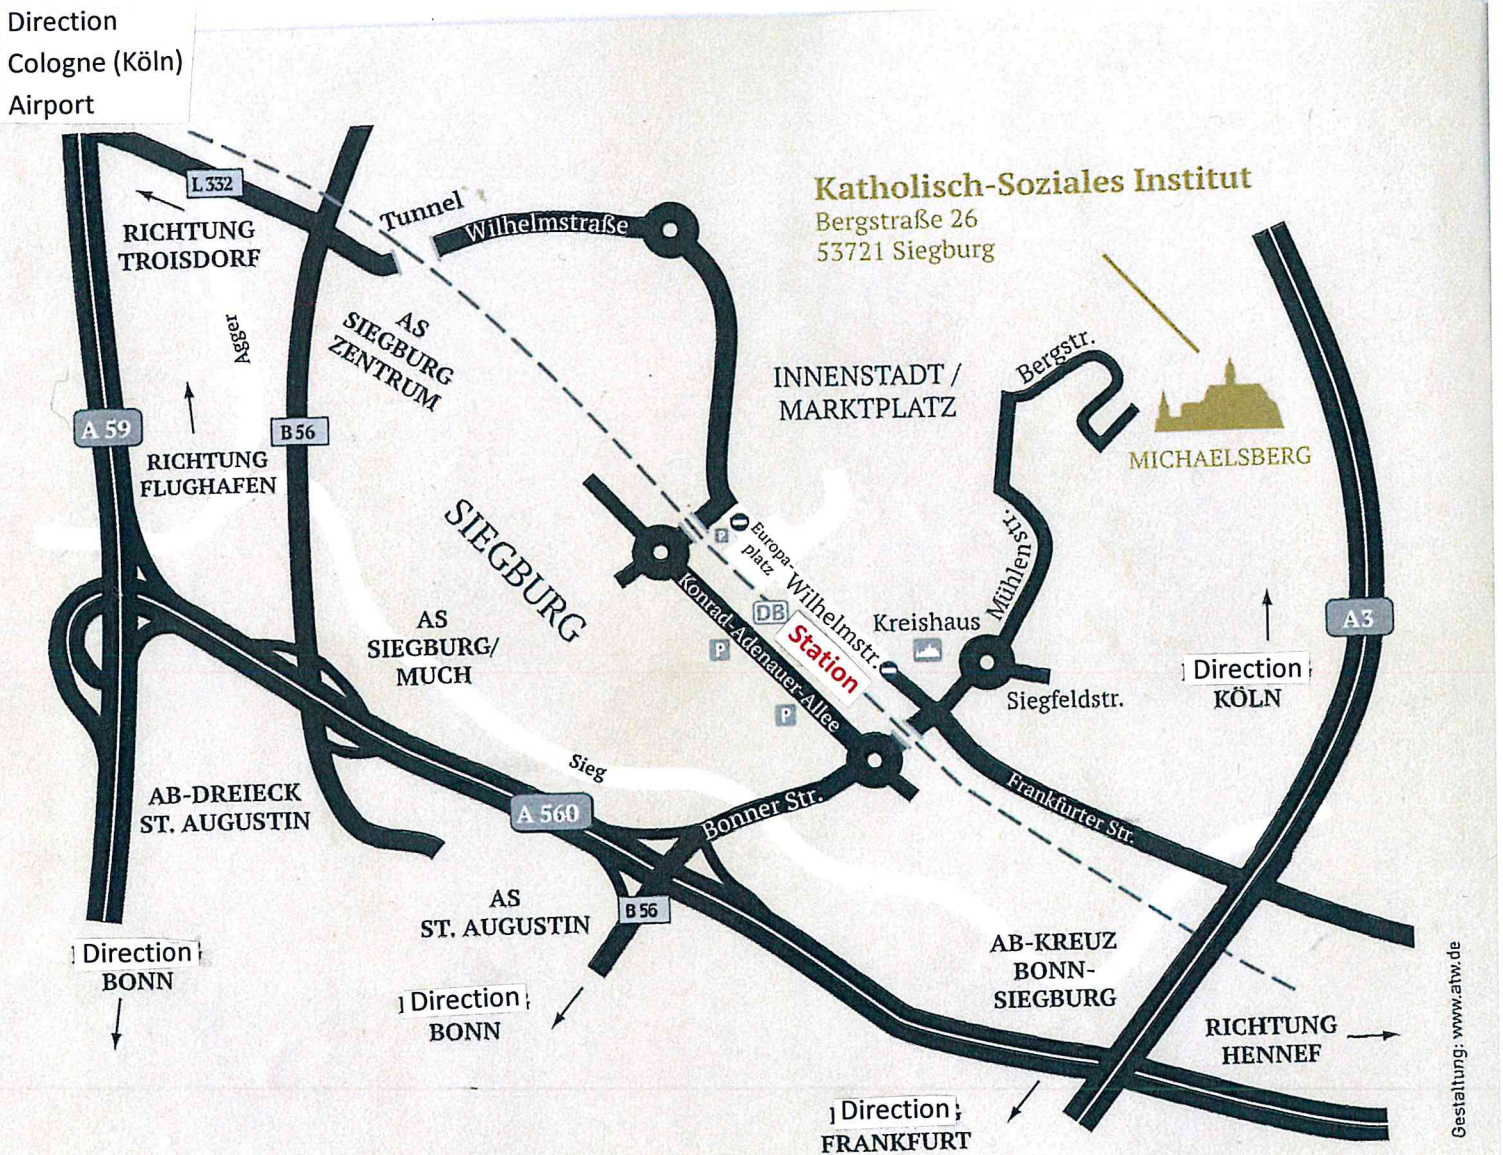

By Train:

Siegburg is at the connection Köln/Cologne to Frankfurt.

Station to KSI: you can try to walk, but it is up hill and may take you half an hour. On both sides of the station are taxi's. Their fare is reasonable. There is **no** public transportation from station to KSI

By car:

See map below. KSI is very close to all Highway connections. **IMPORTANT:** Siegburg is anti-parking. If you want to park in the town, do it at the parkhouses. Somewhere parking will bring you a police ticket. Parking IN the KSI is only possible in the indoor parking of the KSI, those costs are 8 euro per day... Please be aware of this. Parking in a parkhouse in town costs the same.
